Consent Declaration

Walking Activities around School:

I give consent for my child to take part in normal activities organised to take place outside the school premises, i.e. activities on foot around the school. I also give consent to medical treatment deemed necessary by a qualified medical practitioner or to first aid being administered to my child if an emergency should occur when my consent to treatment cannot reasonably be obtained.

Signed: (Parent/Guardian)

Use of Education Authority Protected Internet/Intranet:

From time to time there may be an activity involving computer access. Our school is linked to Telford and Wrekin Council and the National Grid for Learning (NGfL) computer networks which allow our children access to the internet. This is a monitored system giving children the opportunity to have safe access to the internet as a learning tool and to explore thousands of educational sites. We as a school do all we can to ensure children have safe internet access to appropriate material but parents and carers must decide if they would like their children to be included on the system. School will respect wishes of parents and carers in deciding whether or not to allow access. Before being allowed to use the internet all children must have parental permission.

I agree/do not agree to my child having access to the internet and intranet via the NGfL and Telford and Wrekin network

Signed: (Parent/Guardian)

Photographs for News Reports etc:

I give consent to my child's photograph, name and/or reasonable pertinent personal information being used on appropriate occasions in any school or school related publicity material including press and other media coverage.
