

Muxton Primary School
Pupil Premium Grant (PPG) Evaluation 2015-2016

Reception – Children Achieving a Good Level of Development (GLD) 2016

	All Children Muxton	FSM Children Muxton	FSM Children National	All Children National	Other Children Muxton	Other Children National
% of children achieving a Good Level of Development (GLD)	76%	100%	55%	72%	76%	72%

100% of FSM children achieved a good level of development and outperformed non-FSM children, both in school and nationally.

Year 1 Phonics Screen 2016

	All Children Muxton	PPG Children Muxton	PPG Children National	All Children National	Other Children Muxton	Other Children National
% of children meeting the required standard	88%	50%	70%	81%	91%	83%

This shows a gap of 33% between PPG and non-PPG nationally. Additional and targeted intervention and support for these children in Y2 will be a priority.

End of Key Stage One Assessments (Year 2 SATs)

Expected

Greater depth

	All Children Muxton	All Children National	Other Children Muxton	PPG Children Muxton	Other Children National		All Children Muxton	All Children National	Other Children Muxton	PPG Children Muxton	Other Children National
Reading	83%	74%	90%	38%	78%		41%	24%	45%	13%	27%
Writing	73%	65%	78%	38%	70%		24%	13%	27%	0%	16%
Maths	81%	73%	86%	50%	77%		42%	18%	47%	13%	20%

The school's overall attainment in Reading, Writing and Maths was well above national averages for both expected and greater depth. 25% of the school's disadvantaged year 2 pupils were SEN working at Foundation level. The difference between PPG and National other will be addressed with particular emphasis on writing at greater depth. *National figures to compare the school's PPG difference to National are currently unavailable.*

End of Key Stage Two Assessments (Year 6 SATs)

Expected

Greater depth

	All Children Muxton	All Children National	Other Children Muxton	PPG Children Muxton	Other Children National	Muxton PPG diff	Nat PPG diff	All Children Muxton	All Children National	Other Children Muxton	PPG Children Muxton	Other Children National
Reading	83%	66%	88%	67%	71%	4%	19%	19%	19%	23%	7%	23%
Writing	83%	74%	91%	60%	79%	19%	15%	19%	15%	26%	0%	18%
Maths	91%	70%	98%	73%	75%	2%	18%	17%	17%	23%	0%	20%
RWM*	74%	53%	84%	47%	60%	13%	21%	9%	5%	84%	0%	7%

*Reading, Writing & Maths combined

The school's overall attainment at expected is significantly higher than the National average and in line or higher at greater depth. The attainment difference between PPG pupils is below the National PPG difference in Reading, Maths and RWM combines; it is close to National in Writing. Progress measures for the school's disadvantaged pupils are in the average band for all subjects apart from Writing. ***A key priority for school improvement for 2016 is therefore to diminish the difference in attainment and progress between PPG children and other children - particularly in Writing. It is also to provide opportunities for an increased % of PPG pupils to attain higher levels of greater depth taking into account prior attainment at KS1.***
