

### Year 6 Performance - Superstar

**Tuesday 18th July 2017 - Afternoon (2pm) and Evening (6pm) performances.**

Tickets available shortly.

It would be greatly appreciated if all parents/carers could support their children with their lines and costumes. Details on costume ideas to follow.

### Science - Circulatory System/RSA (Sexual Education) and Evolution

Identifying and describing the functions of the main organs involved in the circulatory system. Recognising the impact of diet, exercise, drugs and lifestyle on the way bodies function.

Discussions on the major changes during puberty within both female and male bodies.

# Summer Term

### Theme/PSHE

General Election 2017: Process of democracy and British voting system. Mock election after manifesto discussions.

Discussions about British Values and all main electoral parties. Role of Prime Minister, budgeting and the importance of money within society.

***Viking Project - Who, What, Where, When and Why?***

***(Details to be discussed with children)***
